Report

Celebrated National Wild life Day

On the occasion of National Wild Life Day the Department of Science organized Guest Lecture on "National wild life day " on 04th September, 2025 at 10.00am. The main motive of this Lecture on to raise awareness about endangered species, promote habitat conservation, food supply, pollinator, pest control, medicinal use & genetic resource. India is major biodiversity hub, housing 7-8% of all recorded species. Focus is placed on protecting key areas like the Himalayas, Western Ghats, Northeast region & Nicobar Island. The program was organized under the guidance of Prin. Dr. Sambhaji Gavade. The program was introduced by Prof. Suvarna Mulgaonkar. and Vote of Thank was given by Miss. Aayesha Mulani.

No. of Beneficiary -15

Objective –

- 1) Educate the public on endangered species & the importance of preserving biodiversity.
- 2) Highlight the work of zoo, aviaries & sanctuaries in wildlife rescue & rehabilitation.

Outcome –

- 1) Encouraging communities to take responsibilities for environmental protection & promoting sustainable living.
