Notice

Date- 30/07/2026

All students of B.Sc. are here by informed that the Department of Science (Subject- Chemistry) delighted to announce that the "One day Workshop on Glasswares and Instruments in Chemistry laboratory" will be organize on Saturday, 1st August, 2026. Hence all the students should remain present.

Programme Details:

Date: 1st August, 2026

Time: 11:00 am

Venue: Chemistry lab, Ground Floor, Main Building.

**Head
Science Dept.**

Sou. Mangaltai Ramchandra Jagtap
Mahila Mahavidyalaya, Umbraj
Tal. Karad, Dist. Satara

**CO-ORDINATOR
IQAC**

Sou. Mangaltai Ramchandra Jagtap
Mahila Mahavidyalaya, Umbraj

I/C Principal
Sou. Mangaltai Ramchandra Jagtap
Mahavidyalaya, Umbraj
Tal. Karad, Dist. Satara.

Activity Programme Report

Name of Department: Science
Date and time of activity: 01/08/2026, 11.00 AM
Name of the topic: "One Day Workshop on Glassware and Instruments in chemistry laboratory"
Presence: I/C Prin. Sambhaji Gavade.
Activity/ Programme Purpose: The main motive of this program to improve practical laboratory skills and scientific competence among students.
No. of Beneficiaries: 30
Class involved: B. Sc.
Activity/Programme outcome: Participants became aware of laboratory safety rules and good laboratory practices.

No. of teacher involved in activity: 4

Report

One Day Workshop on Glasswares and Instruments in laboratory.

A One Day Workshop on Glassware and Instruments in Chemistry lab was successfully organized by the Department of Chemistry on 1 August, 2026. The workshop aimed to provide students with practical knowledge of laboratory glassware, scientific instruments, their proper handling maintenance, safety majors use in chemistry laboratory. B.Sc. II and III students were introduced to various laboratory glassware such as beakers, conical flask, volumetric flask, burettes, pipettes, watch glass, funnel etc. The workshop also included demonstrations of commonly used analytical instruments including the pH meter, Electronic balance, colorimeter, conductometer, refractometer etc. The program was organized under the guidance of Prin. Dr. Sambhaji Gavade and Prof. Vikas Barge. Overall, the workshop was highly informative and beneficial. It enhanced the participants practical skills, laboratory safety awareness and understanding of the correct use of chemistry laboratory glassware and instruments.

No. of Beneficiary -30

Objective –

- 1) To encourage good laboratory practices and ethical laboratory behavior.
- 2) To promote safe laboratory practices and proper handling of chemicals and equipment.

Outcome –

Participants learned the importance of proper cleaning, calibration, storage of laboratory glassware and instruments.

On the occasion of "International Tiger Day" organized Poster Presentation

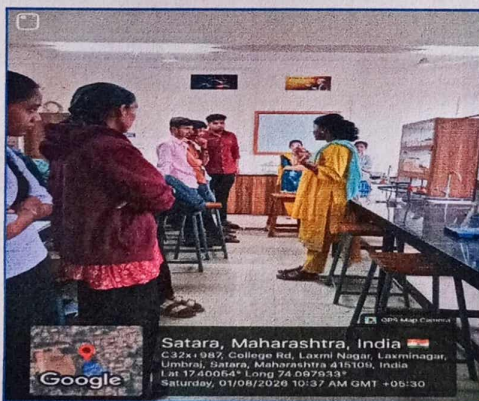

Date – 29/07/2026

Prof. Patane P.S. give information about Instruments

B.Sc.II student Komal Salunkhe give information about Conical flask and measuring cylinder

Prof. Jadhav M.S. give information about Instruments

All the teachers and students observed the instruments and glasswares
