Report

Celebrated "World Snake Day" & "Know about Snakes Information"

The department of Science celebrated "World Snake Day" on 16 July, 2026 with the objective of creating awareness about the ecological importance of snake and promoting snake conservation. Mrs. Megha Tate delivered informative lecture on the diversity of snakes, identification of venomous and non-venomous species, myths and facts about snakes and overall importance of celebration of world snake day. Students actively participated in the awareness program. The program was organized under the guidance of Prin. Dr. Sambhaji Gavade. The programme concluded with a vote of thanks. The event was highly informative and successful in spreading awareness about snake conservation and the need to protect wildlife.

No. of Beneficiary -20

Objective –

- 1) To create awareness about the ecological importance of snakes.
- 2) To promote snake conservation and protect snake species from unnecessary killing.

Outcome –

- 1) Enhanced students knowledge about the ecological importance of snakes.
