Subject: Request for Permission to Conduct a Cyber Security Awareness Presentation

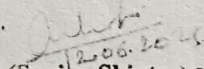

Cyber Security Awareness program is being conducted by Maharashtra Cyber & Quick Heal Foundation across Maharashtra along with student volunteers from June 2025 till December 2025. The objective of the program is to identify, prevent, and report cyber-crime, follow netiquettes, and safeguard students in the virtual world.

As everyone is now using the internet for varied purposes from sending casual messages to purchasing online, from studying online to doing business online this generation must be aware of possible threats in the cyber world and how to combat them. Having sensed the need of the hour, Maharashtra Cyber & Quick Heal Foundation has taken this initiative of "Cyber Security Awareness" for students.

We request you to grant permission to conduct a "Cyber Security Awareness" presentation in your institution. The duration of the presentation is 45 minutes. This program will help students understand how to identify online threats, how to prevent them, and how to report in case of distress.
