Report

Guest Lecture on the topic "Biodiversity Conservation and Sustainable Development"

The department of Science organized a guest lecture on "Biodiversity Conservation and Sustainable Development" on Tuesday, 29-09-2026 at 10.30 am to create awareness among the students about Biodiversity conservation. The Resource person Mrs. Mulgaonkar S. V. guided the students about the sustainable development and its importance in protecting the environment for future generation. Student were encouraged to participate in tree plantation, water conservation, waste management and other eco-friendly activities. The session was informative and interactive and students actively participated in the discussion. The program was attended by a large number of faculty members, non-teaching staff and students of the college. The program was introduced by Prof. Patne P.S. The program was moderated by Prof. Maya Jadhav and Prof. Pooja Gurav. Also, Prof. Megha Tate expressed the vote of thanks. Everyone's cooperation was received for the successful organization of the program.

No. of Beneficiary -: 30

Objective :-

1. To Create awareness among youth about the importance of Biodiversity conservation.
2. To motive students to become active contributors to environmental protection.

Outcomes :-

1. Students will understand the importance of wildlife and biodiversity conservation.
2. Youth will be motivated to participate in conservation and environmental activities.
