Umbraj**

Parent - Teacher Scheme 2024-25

(Mentor – Mentee Scheme)

Objectives

1. To provide academic and personal guidance: - Facilitate personalized mentorship to help students navigate their academic journey, address challenges, and enhance overall performance.
2. To foster a supportive learning environment: - Create a nurturing environment where students feel comfortable discussing both academic and personal concerns with their mentors.
3. To monitor academic progress: - Ensure continuous monitoring of students' academic performance and offer tailored advice and strategies for improvement.
4. To enhance student-teacher interaction: - Strengthen the relationship between faculty and students by fostering open communication, trust, and regular engagement through mentor-mentee meetings.
5. To support students' holistic development: - Encourage the development of essential life skills, emotional well-being, and career readiness through mentorship.
6. To identify and address academic and personal challenges: - Help students identify any academic, social, or personal hurdles they may face and provide timely intervention and resources to overcome them.
7. To encourage student adaptation and engagement: - Aid in the smooth adaptation of students to the college environment, promoting active participation in academic and extracurricular activities.
8. To promote career planning and guidance: - Offer career advice and mentorship to help students plan for future academic or professional endeavors, ensuring they are equipped with the necessary skills and knowledge.
